

Be an entrepreneur!

BSB40320 Certificate IV in
Entrepreneurship and New Business

Start your own business!

**Have a brilliant business idea?
A burning ambition to change things up?**

In the Knoei Colab, launch your side hustle, gain sought-after skills, and connect with industry insiders to get a job.

Come and join us... We help you change your future so you can change the world!

Why Knoei Colab?

Innovation & Entrepreneurship incubator

We promise it won't feel boring. You'll attend virtual tutorials delivered either after hours or during the day (so it doesn't mess with your schedule), with self-paced online and virtual webinars and face to face lab days, so you can work with industry mentors and build social capital.

Learning done differently

Collaborate with like minded students and learn through project and peer based learning. Build and develop skills through experiential learning. You review content at home at your own pace and practice the skills in applied learning tutorials each week.

Nationally recognised VET qualification

You may be able to fast track to Uni with the completed VET qualification, which gives you a competitive selection rank for entry to a number of Uni programs as well as QCE points. We recommend speaking to your uni of choice and school directly regarding uni admission requirements and QCE points eligibility.

This course is offered in partnership with Australasian Leadership Academy Pty Ltd
BSB40320 - Certificate IV in Entrepreneurship and New Business is issued by Australasian Leadership Academy Pty Ltd RTO ID 41012

Incorporating the **BSB40320 - Certificate IV in Entrepreneurship and New Business** * while at school .. fast track to uni, a job, your own business, or all three.

Start your business

Are you ready to get started with a brilliant business idea now? Why wait for a university degree when the Colab will support you with the knowledge you need to get lift off and into the market. There is no other VET qualification that supports you to start your business while at school. Colab Students and Alumni have access to partner awards programs, innovation festivals and incubators during and after the Colab.

Set yourself apart

Get ahead of the pack by making employers aware that you're eager to learn and challenge yourself beyond what is expected. The skills you learn will set you up and help you be work ready all wrapped up in a skills vault so you have agency to transfer those skills to employers and other education programs.

Build your network

During the Colab you will have the support of general business mentors and also specialised mentors from your industry stream. You'll meet some amazing businesspeople and build relationships to kickstart your business network. Some businesses offer Colab graduates internships on completion of the course.
