

Accelerating regional female founders

knoei

Calling all you
regional
enterprising
women

Start your own
business or
turn your side
hustle into your
dream
business!

another great
program by:

groei
education™

You have your product or idea... What next?

A 12 week program, fully funded, for women across regional Queensland or partially funded for other women with a startup idea.

Whether you're looking to grow your side hustle or transform your concept into an innovative thriving business, this program is designed for you.

What's included:

- In-depth training in business development, covering key skills and strategies
- Mentorship and industry connections to help you expand your professional network
- Ongoing support from industry experts to guide you at every step
